**Deborah Metzger is an Ordained Minister, Life Coach, and is certified in Iridology, Medicinal Aroma Therapy and is a certified "The Path to Heal" practitioner.**

She is also trained in Homeopathy and has been practicing since the 1980's along with Herbology, Reflexology, Applied Kinesiology, Reiki and Dowsing Energy Work. Her education also includes liberal arts social science, science, biology, anatomy, gross anatomy, physiology, psychology, nutrition and is a teacher in the alternative healing modalities.

Deborah has been utilizing alternative healing methods for more than 40 years. She has worked as a Human Resource Director and in Management for 30 years.

On a personal note her passions include gardening, beach glass collecting and artistry, poetry, inspirational literature, alternative healing arts, enjoying family, good company and most of all embracing all that life has to offer!

After a life changing, near death experience Deborah's intuitive abilities deepened opening many doors to the belief in other possibilities. Desiring a greater understanding of trauma and dis'ease, she turned her focus towards the Angelic energy healing arts using intuition, dowsing, crystals, tuning forks, essential oils and the sacred symbology of the multidimensional system of "The Path to Heal".
