Gloria Hunsberger, Earthraven, is a holistic energy practitioner, gifted intuitive healer, spiritual counselor and teacher who offers a variety of holistic angelic healing and intuitive services to support your mind, body, and spirit so you can be empowered to live life to the fullest. She is a Certified Advanced **The Path to Heal Practitioner**; Co-active/iPEC trained Coach, Certified Crystal Healer; Reiki Master/Teacher; IET Master/Teacher; Ordained Reverend; and Spiritual Counselor.

As a child, Earthraven spent much time admiring trees, exploring woods and streams, and digging in the earth. The animals, trees, and rocks spoke to her as she experienced Nature's playground. Deeply connected to Mother Earth, she became an environmental consultant with the goal of healing Mother Earth. Earthraven's angelic guides increased her awareness allowing her to understand her gifts. She is a healing messenger and has the knowledge that to heal Mother Earth one needs to heal him or herself.

With her strong connection to the Earth and Angelic Realms combined with her natural health and intuitive training, Gloria has helped many connect to their divine self, obtain physical, spiritual and emotional healing, jump-start their own spiritual growth and healing, and learn how to more easily and specifically handle everyday life challenges.

Gloria Earthraven is an Advanced **The Path To Heal** practitioner. She discovered **The Path to Heal** at the Mind, Body, Spirit Expo. She was fascinated with the Divine Grid book and found herself amazed at what the modality could do. She registered for the Divine Grid workshop and the after experiencing the remarkable healing energy, she decided to become a **The Path to Heal** practitioner and added **The Path to Heal** to her practice with great success.
