**Sexual (Creative) Harmonizer: (Archangel Uriel)** Harmonizes *Life Affirming Work* by raising magical kundalini energy to heal all wounds. It releases guilt, embarrassment and fear associated with being in our power to fully inspire our creativity.

**Abundance Harmonizer: (Archangel Michael)** Harmonizes *Financial Freedom* by directing heart energy to the 1<sup>st</sup> and 7<sup>th</sup> Chakras to bring awareness to the illusion of scarcity. Once aware, all jealousy and fear dissipate and we relax in the sure knowledge that we receive abundance in all areas of life.

**Addiction (Mental) Harmonizer: (Archangel Gabriel)** Harmonizes *Loving Relationships* by directing energy to the 3rd and 5th Chakras, healing mental struggle by allowing us to relax. Addiction defends against guilt. Relaxation comes from the sure knowledge that there is no right or wrong, allowing us to see that we can never make a mistake and therefore we drop guilt and the need to defend against it.

**Consciousness Harmonizer: (Archangel Rafael)** Harmonizes *Good Health* by directing energy from the tenth sefira (which is at our feet and represents wholeness) to our entire being. It contains the energy of the other three harmonizers and brings the experience of heaven on earth. We are in heaven on earth when we know absolute self-love, which by definition is the absence of guilt and embarrassment. Without guilt and embarrassment, all body systems are stabilized, regenerating our mind, body, spirit and soul.
