

WHAT **The Path to Heal** CLIENTS ARE SAYING ABOUT THEIR EXPERIENCES

Digestive Issues: A year and a half ago I was stricken with a digestive disorder that stumped the medical community. I was extremely miserable for months until I finally started improving after a few treatments from Rebecca and am now feeling much more like myself. I am truly grateful that Rebecca was guided to create **The Path to Heal** and that I am the recipient of this wonderful energy modality.

Tension Headaches: Honestly, I was a bit skeptical before and during treatment with Rebecca (especially because I seek scientific proof for everything), however I had become desperate for an alternative way to deal with my chronic tension headaches. Up until **The Path to Heal**, I had been plagued with three to five tension headaches weekly. Since my treatment (which is now over a month ago) I have noticed a significant decrease in headaches having had only three headaches since! I am finally starting to feel like myself again. Rebecca, thank you so much for such an enlightening and healing experience!

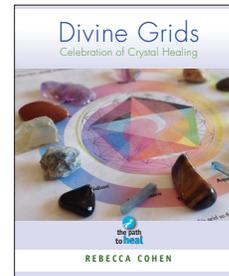

Concussion: After my first concussion I suffered from Post-concussion syndrome for 6 months. A year later I got a second concussion and after one session with Rebecca my symptoms went away after only a couple days. My sciatic nerve pain was greatly improved by a couple of sessions as well. I truly support this natural way of healing. It does wonders for the body and mind.

CHOOSE JOY

RECEIVE AN ABUNDANCE
OF HEALTH, WEALTH
AND HAPPINESS

The Path to Heal is a healing system that removes blocks to living an inspired happy and healthy life.

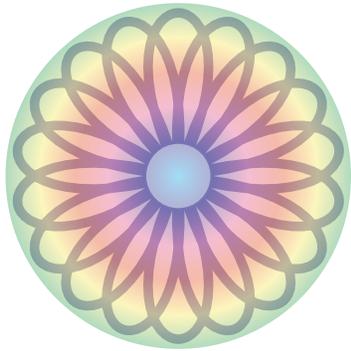

www.thepathtoheal.com

THE PATH TO HEAL

helps you remove all blocks to joy while taking you on a journey of self-discovery. The blocks are uncovered through muscle testing your energy utilizing **The Path's** protocols. This exploration provides specific insight as to the origin of the blocks to joy. Then crystals, tuning forks and essential oils raise your vibration to love, releasing the blocks, enabling joy.

In-person sessions, distance sessions, self-help courses, practioner training, guidance cards and books by Rebecca Cohen are all available on www.thepathtoheal.com.

ABUNDANCE OF HEALTH

The Path leads to significant physical healing because a session utilizes the client's physical symptoms to illuminate areas in which self-love is needed. Once addressed, the conditions can quickly dissipate.

The Path to Heal can relieve many conditions, including, but not limited to:

- Addictions
- Allergies
- Autoimmune Syndromes
- Chronic Pain
- Chronic Fatigue
- Digestive Disorders
- Fears and Phobias
- Fibromyalgia
- Headaches
- Insomnia
- Learning Disabilities
- Lyme Disease
- Stress
- Viruses and Infections
- Weight Issues

ABUNDANCE OF WEALTH

The Path to Heal was channeled into Rebecca Cohen from the Goddess Isis. The very first concept that was given to her was to be enthusiastically yourself at all times and all good things will come to you. Rebecca followed this guidance, left her job as a senior vice president in banking, and now is a successful healer, author and spiritual teacher. **The Path to Heal** will remove the blocks that get in the way of you choosing to do the things that fill you with joy. With this shift, doors will open and you will discover your vocation and how it can abundantly provide for you every day.
