

Entry:  :  C then sniff oregano

TRANSCENDENCE - INTRODUCTORY VERSION

1) Client is asked to describe a reality that he or she would like to inhabit such as a great job, romantic love or peaceful relationship with family members. Client describes the reality in the present tense such as "I am standing in the café on opening day. Upbeat music is playing. There is a positive vibe. All the tables are full."
(Dowse to direct client as to which subject to focus on.)

2) As client describes this reality, the practitioner dowses to determine if the client's heart is aligned to the statements voiced. If not jot down which statements are not aligned.

3) I feel (guilty/ emotion(s)) honoring my .
life affirming activity(s)/duality word(s)

4)  :  H
