A born healer, intuitive and empath, Bobbie lives and loves in Sedona Arizona.

She started her career with a BSN in nursing and a BA in Psychology. She is currently working on her doctorate in Integrative Medicine.

She has studied Homeopathy, the use of Essential Oils as a healing modality, and nutritional coaching.

Bobbie became a wholistic health coach in 2008 to help others integrate a healthy lifestyle with a balanced mind.

Realizing that the subtle body had more healing power than the physical body, she studied Reiki and auricular therapy, to assist others in furthering their healing journey.

Her time now is spent mainly as a certified practitioner of **The Path To Heal**. Her goal is serving the healing of humanity and the world.

**The Path to Heal** sessions are available on video chat or on the phone.
